GIVE YOUR CHILD A SUMMER TO REMEMBER!

The Western Association of Independent Camps (WAIC) are making available - free of charge - "camperships". During this "pilot project" year, 80 camp scholarships will be presented to youth of deployed and previously deployed National Guard Members.

With over 30 summer camps located throughout California and other states, Guard youth have a variety of choices. Day-camps or residential camps offer activities from horse back riding and rock climbing to crafts and drama! The camps offer a positive environment for youth to learn, live, work and play; building memories and friendships that last a lifetime! The camp sessions are available from June 19th to August 27th. (Ages 4-17 yrs. are eligible. Please consult camp for details and requirements.)
